

TripShock Partner Solutions Featured Placement!

Accelerate your listing through our Premium and Platinum packages. Featured Placement packages provide increased visibility and engagement by placing your listing(s) in Featured areas throughout the TripShock website.

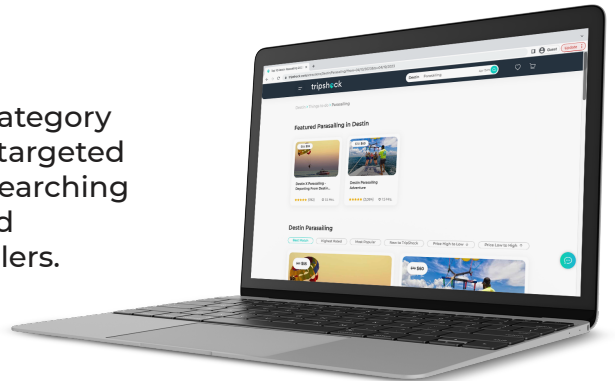

Package breakdown:

Premium Package:

Affordable, focused attention that converts. Our Premium Package promotes your listing on the category results page (i.e. Destin > Parasailing). This provides a targeted spotlight on your listing to travelers that are actively searching to book within your category. The results are increased impressions and clicks from “ready to purchase” travelers.

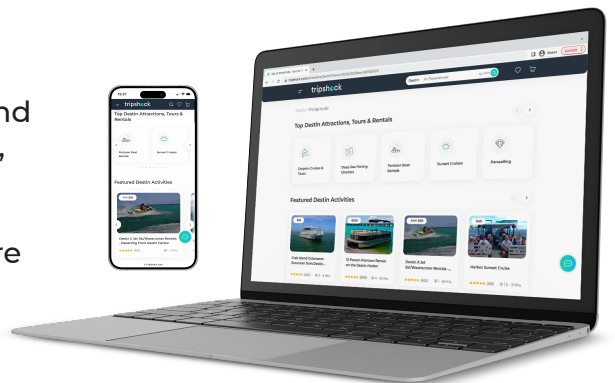

* Premium packages **start at \$400/year** depending on Destination and Category

Platinum Package:

Exposure on another level, impressions galore! Platinum Package listings are promoted on the Destination results page (i.e. Things to do in Destin) and the Category results page, blog pages, traveler stories, and other areas. These additional placements can increase your listing's visibility by up to 25x! This large increase in impressions results in more clicks and more sales.

* Platinum packages **start at \$900/year** depending on Destination and Category

FAQs

Do I need to upgrade my listing?

You do not need to change your listing in any way. However we encourage you to ensure that your listing(s) are up-to-date, have excellent pictures and or video, and are optimized to their potential.

Am I still going to receive the same amount of bookings if I keep a basic listing?

Yes. Your current listing and impressions will continue in the same fashion, growing organically. The Partner Solutions program was designed specifically to increase impressions and value for the partners that want it while TripShock! continues to offer the current incredible value to partners that don't.
